[RUSH] MESSAGE: Please verify

There is an FDC in the file dated 2-15-05 where the references were neither initialed or crossed out. In the NOA paperwork dated 7-21-05 there is an initialed copy but the serial number and docket number do not match the numbers of this file. Should the references be printed?

Thank You  
TW

[XRUSH] RESPONSE: The IDS dated 2/15/05 should NOT belong to 09/617,440. I did not initial this IDS.

INITIALS: KBY

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
